The HOPE VI Homeownership program will soon be drawing to a close. Nine homes, built in Covington’s Eastside Neighborhood, will all be sold by the end of March 2017. The program began in the summer 2015 and has been marketed through Sibcy Cline Realtors, partner agencies, and the Housing Authority of Covington.

The HOPE VI Homeownership program met its objective of providing homeownership opportunities to qualified, income-eligible buyers. All nine homeowners represent diverse backgrounds, ages, and employment experiences. Each has expressed their gratitude for their beautiful new home.

One existing homebuyer did recently decided to relocate and needs to sell his home. If you would like to check out this opportunity, call Chris Bradburn at (859) 655-7306.
