Kids Are Born Learning

Learning starts long before school. From birth, children are building skills they need for life. But that doesn't mean they need lots of expensive learning toys! Loving relationships matter most.

Parents, grandparents, and family members can use everyday moments as learning moments.

Please join us to discover fun activities to help your child learn anywhere, anytime!

Parents and Children Welcome!

Residents Return to Golden Tower

Residents from Golden Tower, displaced by an electrical event on 2/22/2018, returned to their homes on 5/14/2018 after lodging 80 days in local hotels. We want to extend a heartfelt thank you to the residents who were patient and supportive as we worked to repair the building's electrical system. We also want to thank all the HA staff who worked, often on personal time, to serve our Golden Tower residents. Finally, to all the local hotels and agencies that provided lodging, meals, gift cards, gift packs, and excellent customer service, we cannot thank you enough for your partnership and friendship!

A celebration is planned for **Friday, June 29, 2018**, for all Golden Tower residents and invited guests. Notices will be posted as the event date approaches.

A Little Bit Of Trivia

Napoleon was *not* short as many people think. He was in fact 5 foot 6 1/2 inches, which is slightly taller than the average French man at the time.
